

Library Activities Wk of 3/30/20

Kindergarten, First and Second Grades:

Common Sense Media and their education division have put together packets for families in K-2. This week I'm sharing them with you because while they focus the lesson on Digital Citizenship, they also have a daily schedule with some pretty fun links! Have you been using Go Noodle for movement breaks? They have a link to that *and* to Mo Willems' live doodle session. Have you checked that out yet? I did yesterday and Dan Santat, another great author and illustrator, was on as well! You don't have to go on right at 1:00. You can watch older episodes if you're too early or late.

[Second Grade Packet](#)

Second Grade:

See above for the link to the packet of activities from Common Sense Education. Please also see the attached document below. I made another call number matching activity using more of your names. I hope you are having fun looking for your name. If you haven't seen it yet, have no fear, I did one for everyone in both classes. I've also included an answer sheet for activities #1-6.

Third Grade:

Did you watch the Dewey Decimal Rap video??? Was it in your head long after you watched it? 😊

I've posted another activity in the [technology classroom](#). Feel free to ask me any questions you have; I'd love to hear from you. I miss you!

Fourth & Fifth Grade:

March is Women's History Month. Learn about noteworthy women - maybe some you have never heard of - explore Brain Pop's [Women biography](#) section. Watch the videos that are of interest to you, take the quizzes, then look on [Audible](#) to download FREE books about the women you learn about!

Reminder: Grades 3-5 Book Club

Join the 'What Will I Read Next?' Book Club! Tell everyone in grades 3-5 what you've been reading. I created a new classroom for this. Open up your Google Classroom account and click on the + sign. The code for the class is [cyusp50](#).

Call Number Matching Practice #5

Name _____ Date _____ HR _____

Match the book and author on the left with its call number on the right.
Don't forget: biography call numbers stand for the **subject** of the biography,
not the author!
