Grade	Listening	Singing/Playing
5	<p><a href="#">'70s Rock Playlist</a></p> <p>As always, it's okay to skip tracks or listen in the background.</p> <p><b>Active Listening Challenge:</b></p> <p>In your opinion, which '70s rock song sounds the most like the <a href="#">the blues</a>? <b>Why?</b> All rock comes from the blues, so there's no one right answer.</p>	<p>We're starting a special project just for 5th graders at Essex. Your recording of "<a href="#">Lean on Me</a>" will be part of your end-of-the-year celebration video.</p> <p>I hope we'll hear every 5th grader's voice on the track. We'll also add some parts for students who play instruments - stay tuned!</p> <p><b>Instructions:</b></p> <p>Listen to "<a href="#">Lean on Me</a>" with headphones as you record yourself singing along.</p> <p><a href="#">"Lean on Me" Lyrics</a></p> <p>Please send me 2 recordings this week:</p> <ol style="list-style-type: none"><li>1. Sing along from 0:25 to 0:53. Hum your <a href="#">first note</a> before you start.</li><li>2. Start a new recording and sing from 0:51 - 1:44. This will let your voice overlap with itself the way Bill's does.</li></ol> <p>Please don't hesitate to email me with any questions. I'm excited to hear what we come up with!</p>
