

# National Poetry Month With Technology

April is National Poetry Month

Check out some poetry activities that you can do with Technology

K-2

Watch this [video](#) about different types of Poems!

Pick one of the poetry activities below:

- Create an Acrostic poem about yourself using your name! Either write your poem on paper or use this [online template!](#)
- Write an “I Am” poem about yourself. Every line in the poem begins with “I Am” and you can use paper or this [online template](#) to write your poem!
- You can always share your poems with me, Mrs. Seymour at [seymourj@mersd.org](mailto:seymourj@mersd.org)

3-5

Watch this [video](#) about different types of Poems!

Pick one of the poetry activities below:

- Create a unique BioPoem about yourself! You can write it out using this [template](#) and then transform it into a [Word Cloud](#).
- Watch this [video](#) about writing with the senses. Pick a topic that is important to you to write about! You can use this [online tool](#) to type your poem! Or turn it into a [Word Cloud](#).
- Another form of modern poetry is rap or hip hop! Check out [this video](#) to see how rap/hip hop developed into a modern art form. You can watch this video for a refresher on [similes and metaphors](#). Try your hand at writing a free verse poem using this [online template](#).
- Email me, Mrs. Seymour your poems at [seymourj@mersd.org](mailto:seymourj@mersd.org)

# Want To Create More Poetry?

Check out these online poetry creators!

Note: When you open the webpage click the “Get Started” button to launch the online poem creator!
