

¡Bienvenidos! & Bienvenue!

Each slide has some suggested enrichment ideas for different grades. Students should be able to do my suggested activities independently! On the last slide, you will find some fun suggestions for all grade levels.

I will be available by email for help during my online "office hours" from 10am-11am each weekday morning. I will check my email at other points throughout the day, so please don't hesitate to reach out anytime.
(carranchom@mersd.org)

My hope is that students will be able to practice the French and Spanish that they already know and have fun doing it while we're unable to meet in person!

Suggested Resources for Spanish

Grades 1 & 2

These two activities are from Rockalingua, a website to which we have a subscription. The username and password are both: [mersdstudent](#)

This is a [music video](#) about the colors and numbers in Spanish.

If you didn't see them already, there are three [games](#) to practice colors in Spanish on Rockalingua.

Grades 3 & 4

In 3rd and 4th Grade we will be having an oral test later this Spring. This activity uses one of our main vocabulary topics, weather.

I've made some [flashcards](#) on Quizlet for the weather vocabulary. When you click the Quizlet link, it will bring you to the home page for that set of flashcards. There are several options along the left side of the website to choose from to practice these vocabulary words; try Flaschard, Write, Learn or Match.

If you want to try some other Spanish language games, check out [Digital Dialect](#).

Suggested Resources for French Grade 5

In 5th Grade we will be having an oral test later this Spring. Here is an activity to practice the weather words, one of our main topics.!

I've made some [flashcards](#) on Quizlet for the weather vocabulary. When you click the Quizlet link, it will bring you to the home page for that set of flashcards. There are several options along the left side of the website to choose from to practice these vocabulary words; try Flaschard, Write, Learn or Match.

If you want to try some other French language games, check out [Digital Dialect](#). They have number and color games that you could play!

Other ideas to practice French and Spanish at home

Everybody loves the Bubbles (Burbujas) game! You can choose the topic that you want and the difficulty level. We use this in class but students rarely get to play by themselves; in order for everyone to get a turn we play on teams- so go crazy! Username and password are both mersdstudent.

A lot of people already know about the Duolingo app, but if you haven't checked it out, now could be a great time. It is free and easy to follow and offers French and Spanish. A bunch of students use it at home and they all seem to like it.
